

**DUNNING RIEVMAN & MACDONALD LLP – MERGER ANNOUNCEMENT**

The lawyers of Dunning Rievman LLP and MacDonald Weiss PLLC are excited to announce that they have joined together to form a new firm, **Dunning Rievman & MacDonald LLP**. DR&M combines the dispute resolution strength of Dunning Rievman with the corporate & transactional strength of MacDonald Weiss. The new firm brings to bear decades of experience from large U.S. and international law firms, in a practice style that is personal, pragmatic, entrepreneurial, and efficient.

The strategic combination gives DR&M collective capabilities in important industries including financial services, energy, infrastructure, hospitality, manufacturing, sports, technology, retail and e-commerce, food and beverage, and aviation, among others. Our core practice areas are litigation, international and domestic arbitration, dispute finance, corporate finance, employment, M&A and other corporate and commercial transactions, and tax. In addition, we act as “outside general counsel” in the US for a substantial number of our clients, particularly our European and British clients.

Dunning Rievman & MacDonald LLP will provide its services from a single office in New York, with a focus on clients from English, Spanish, French, and Turkish-speaking jurisdictions. To that end, in addition to its domestic and general international work, the firm has established three international desks: a Spanish Desk, a French Desk, and a Turkish Desk, providing US legal advice to clients from the corresponding countries.
